

# How to add additional images for an Item?

HDPOS smart Tutorials

HDPOS smart provides you the facility to add more than one image for an item. These additional images will not be seen anywhere in the application, it will only be useful for displaying the same in portal (something like different views of an item).

Follow the below steps to add additional images for an item:

1. Run HDPOS smart.
2. From Main Invoice screen, click on **Set-Up**.

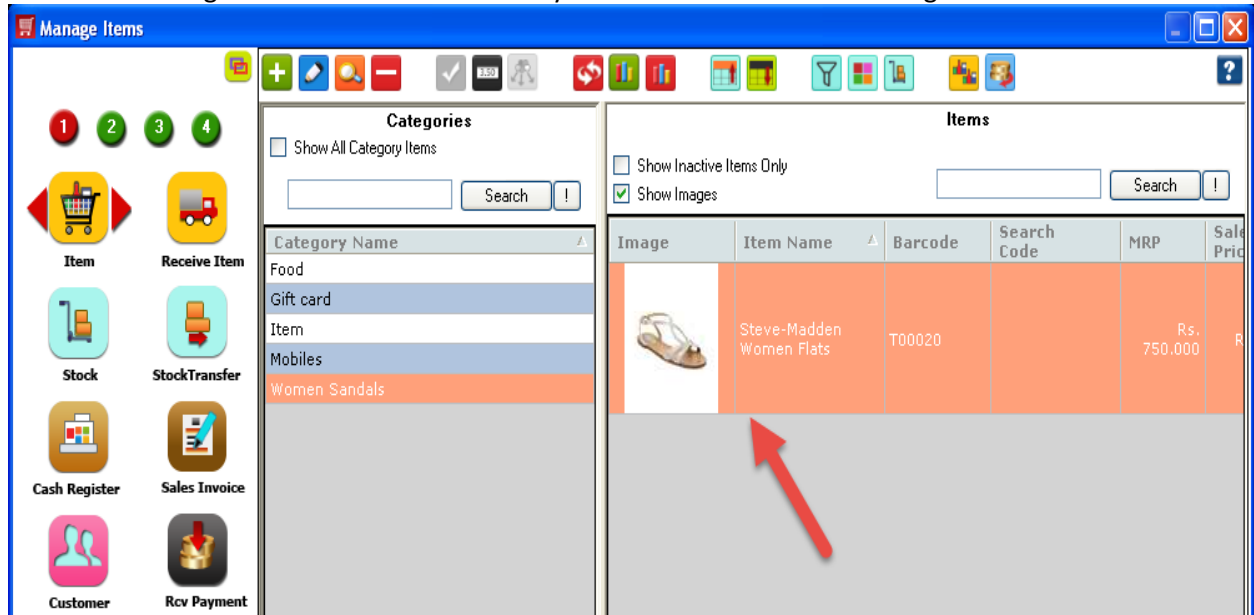

3. From 1<sup>st</sup> page of Set-Up select **Item**.

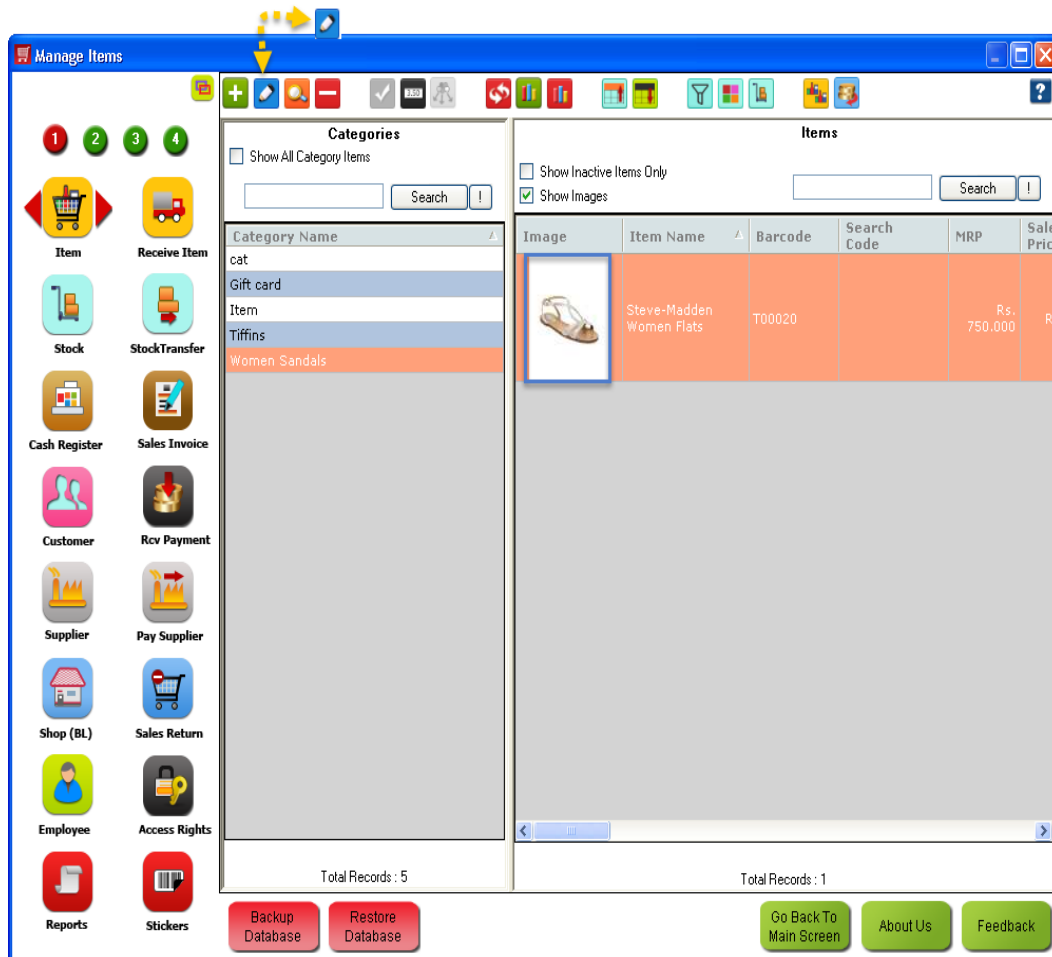

- From Item Manager select the item for which you want to add additional images as shown below.

- Click on **Edit Item** from **Manage Items** tool strip.

**Note:** The **Add Additional Image** option will only be visible in the **Edit Item** screen.

6. **Edit Item** screen will be opened. Click on **Add Additional Image** link above the item image.
