

# How to add logo for eShop?

HDPOS smart Tutorials

To add logo for eShop, you need to follow below steps:

1. Run **HDPOS smart**. From the **Main Screen**, click on **Set-Up** button.

2. Go to 4<sup>th</sup> page of **Set-Up**, click on **Settings** button. From **System Settings** screen, click on **ONLINE SHOP** button.

3. You will see the screen of **Online Shop Settings**.
4. **UI Setting:** Click on **UI Setting** tab button. You will see the following options as shown in below image.

- **Online Shop Logo Settings** Online Shop Logo Setting: Here you have an option to add your business logo. Click on **Change Logo** option. To remove the logo click on **Remove Logo** option. Here you have an option to add your business logo (if you have any).
  - **Show in Left Corner:** Click this radio button if you want to see the logo in the left corner of home page of the eShop. When this is clicked, **Display Width** text box is enabled that takes the width in pixels. Enter the number of pixels for width in the text box. The ideal size for logo is **220x71px**.
