

## How to allow scanning of labels from current warehouse only?

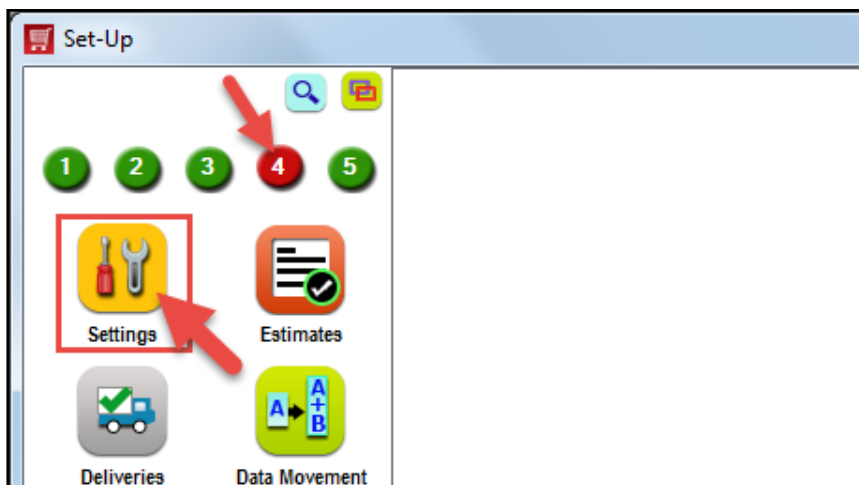

You may be having more than one warehouse for your business. You can restrict scanning of labels to only those that are available in the currently selected warehouse.

The steps to allow only the labels from currently selected warehouses to be scanned are as follows:

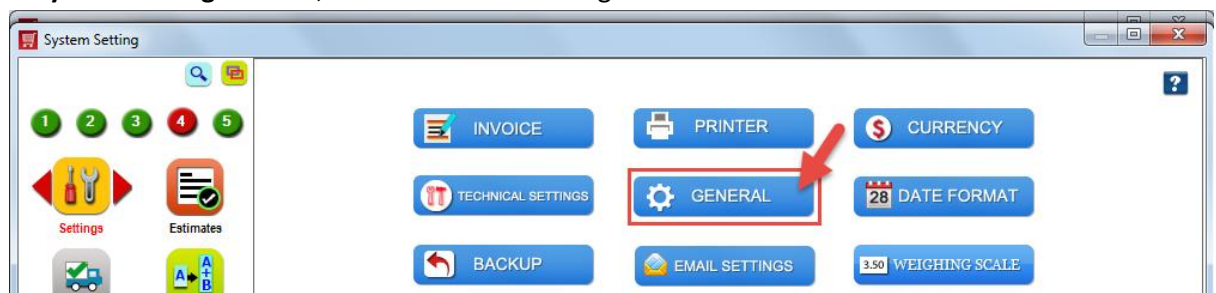

1. Run **HDPOS smart** and click on **Set-Up** button.

2. From the 4<sup>th</sup> page of **Set-Up**, click on **Settings**.

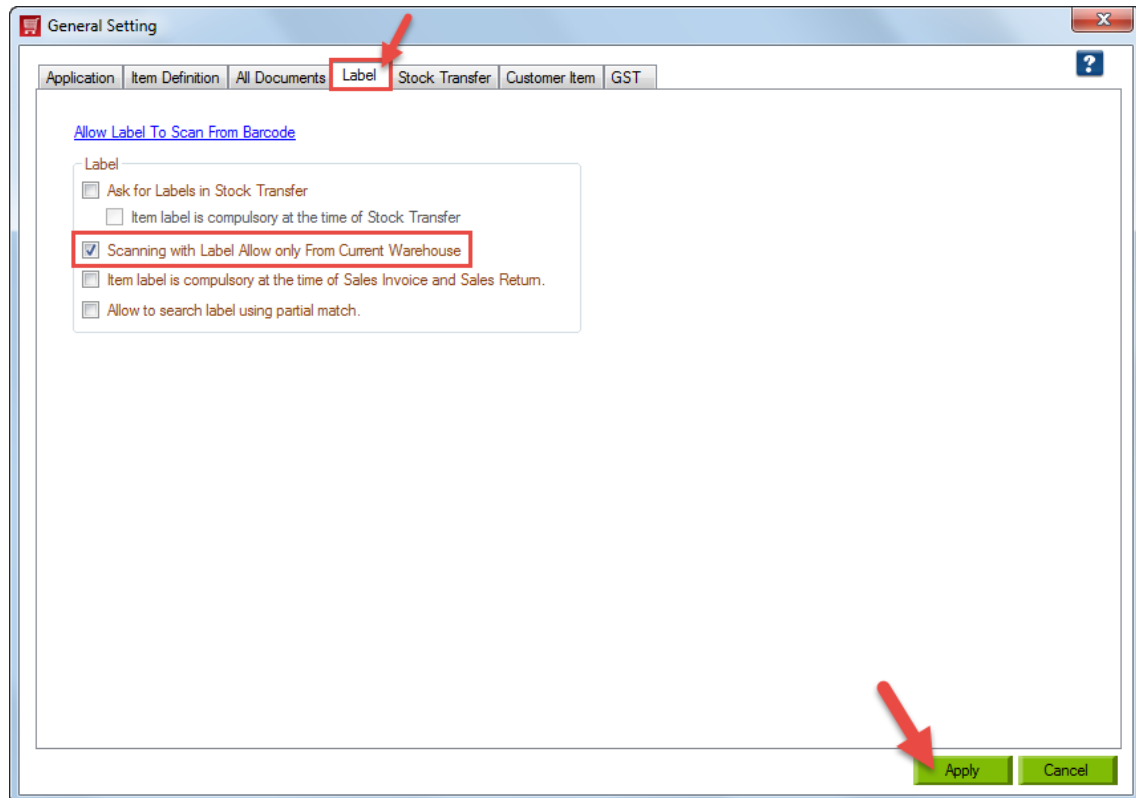

3. In **System Setting** window, click on **General** setting.

4. From **General Setting** window, click on **Label** tab.
5. Check **Scanning with Label Allow only from current Warehouse** checkbox.
6. Click on **Apply**.

**Note:** When creating Sales Invoice for an item, user will get the option to select labels of only current warehouse.
