

How to change Hall Style in HDRestaurant?

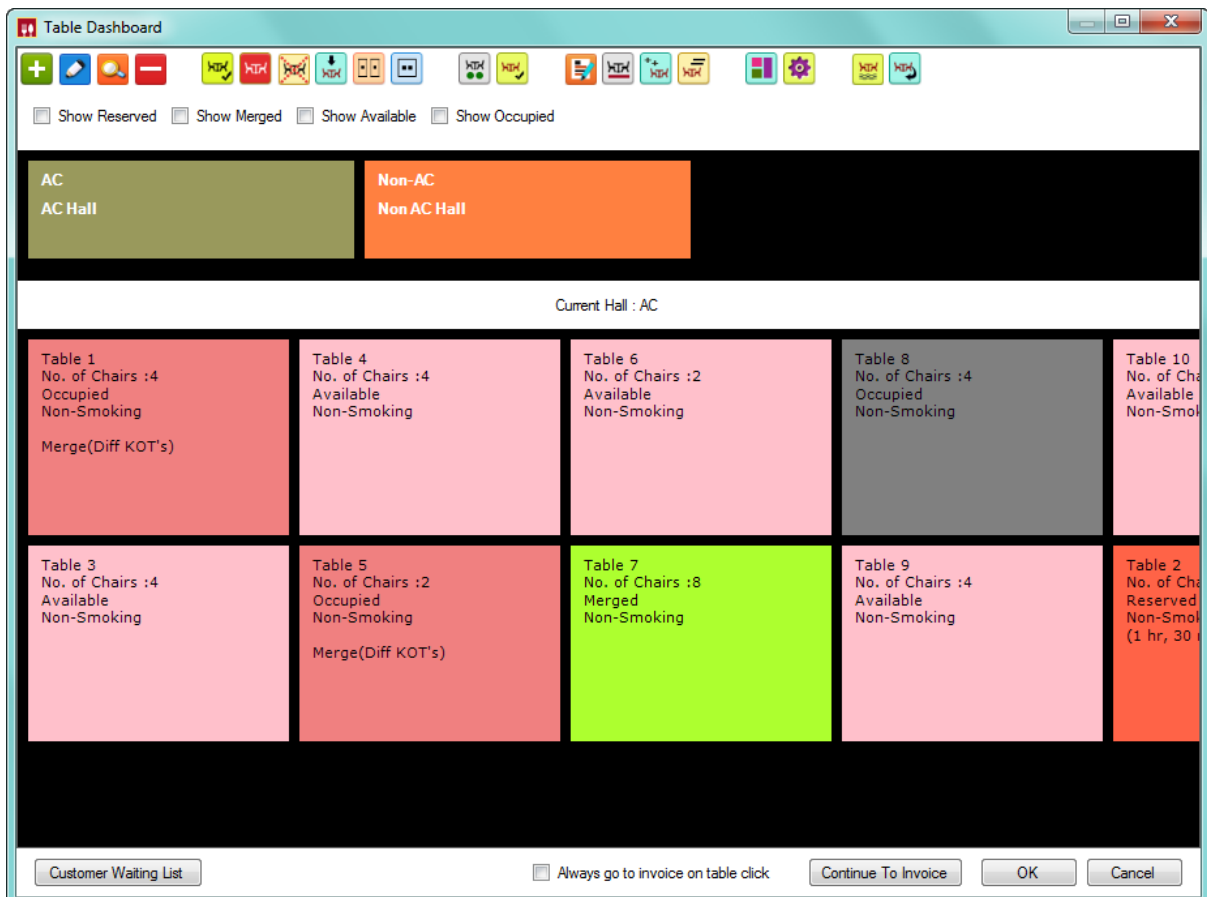

HDRestaurant Tutorials

HDRestaurant allows user to customize the hall style (Background color, Text, Text color and font style). To change the hall Background color, Text Color and Font Style, follow the steps below:

1. Click on **Table Manager**.

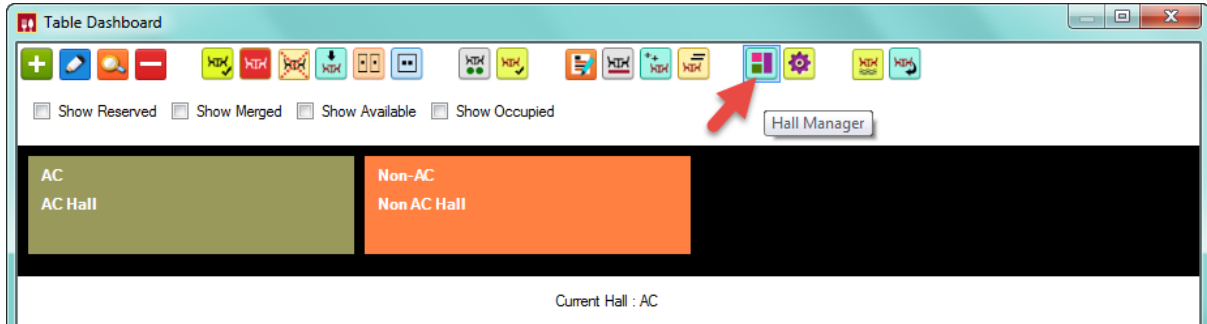

2. This will open **Table Dashboard** as shown below.

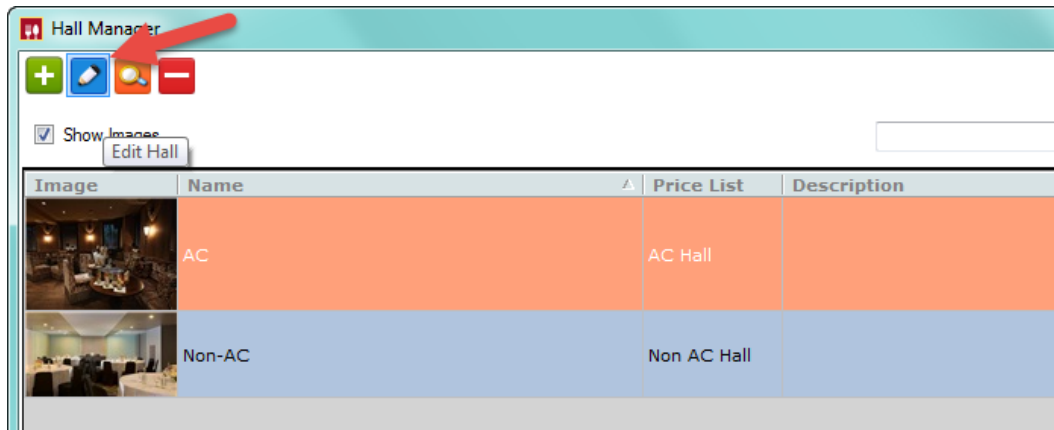

3. From Table Dashboard, click on **Hall Manager**.

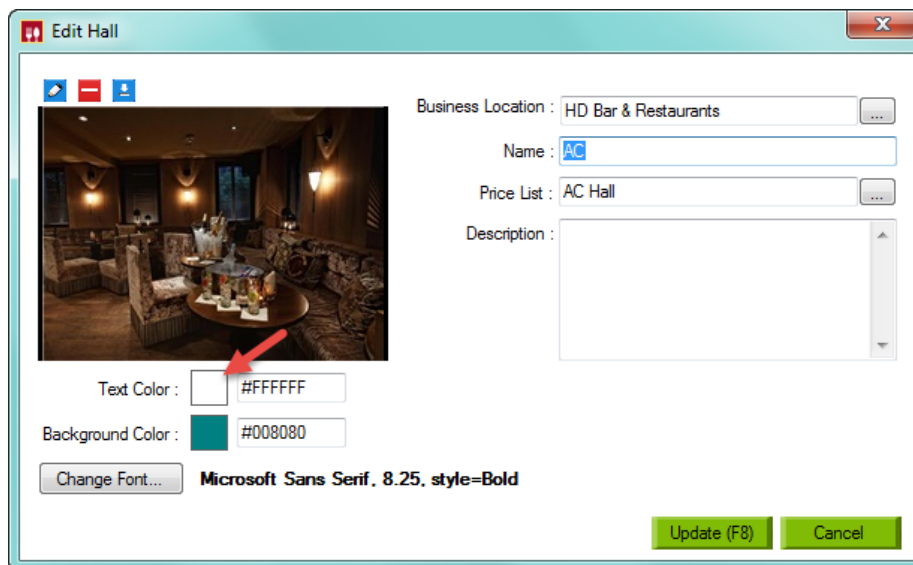

4. You will see Hall Manager window, From Hall Manager selects a hall to change the hall style and click on Edit Hall button.

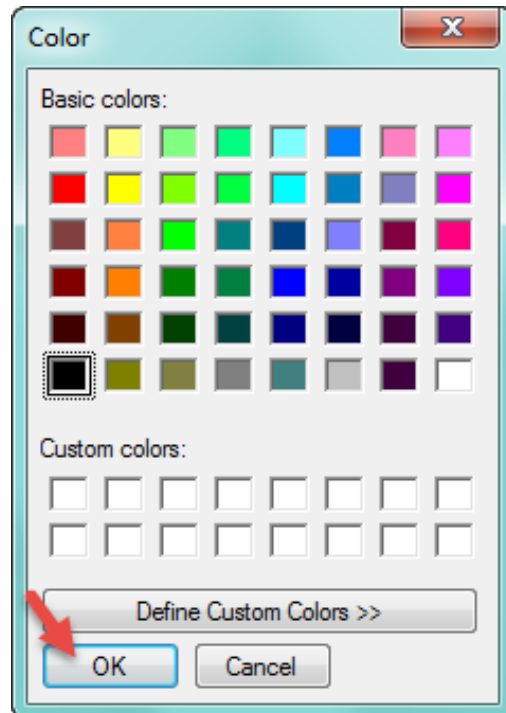

5. To Change the Display Text Color.

I. Click on the color box next to Text Color.

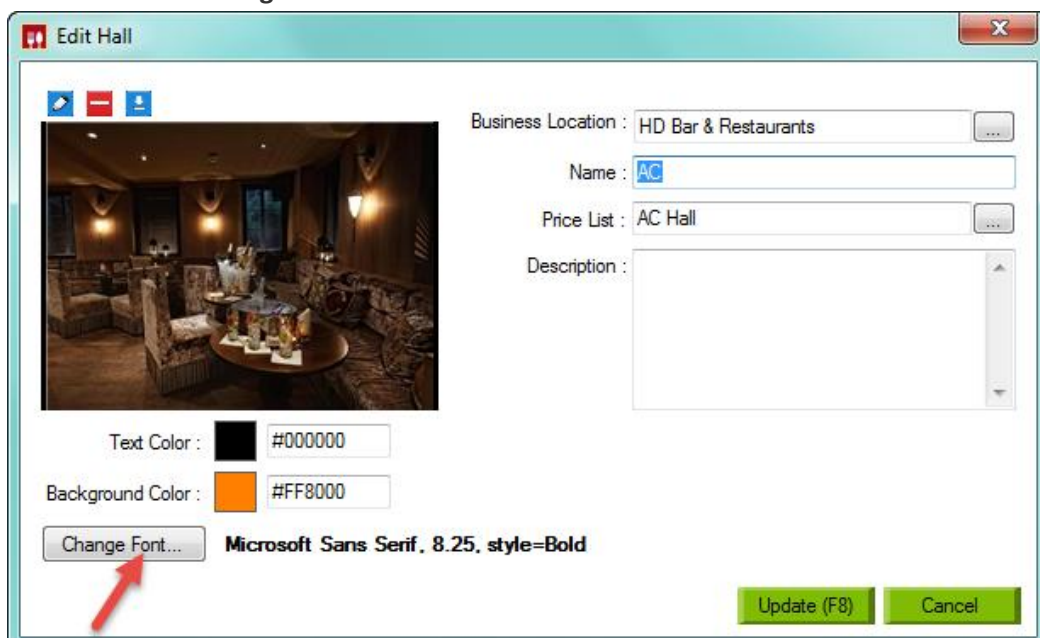

- II. Choose a color from color palette.

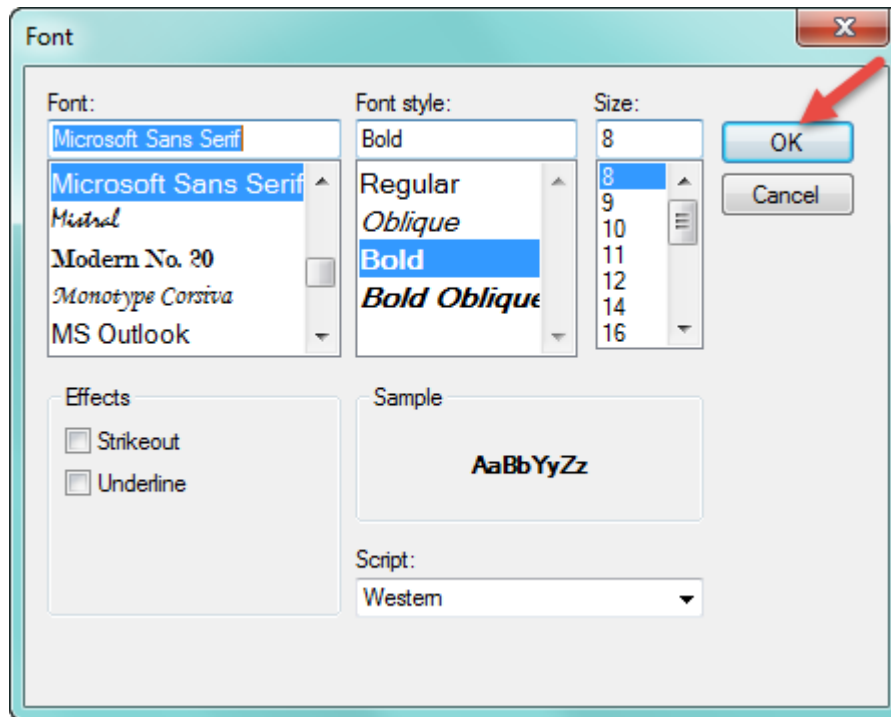

- III. Click on **Ok**.
 - IV. Or, if the Color code in RGB format is known, the same can be entered directly
6. Change hall **Background Color** similarly.
 7. To change the Font Style :
 - I. Click on **Change Font** button.

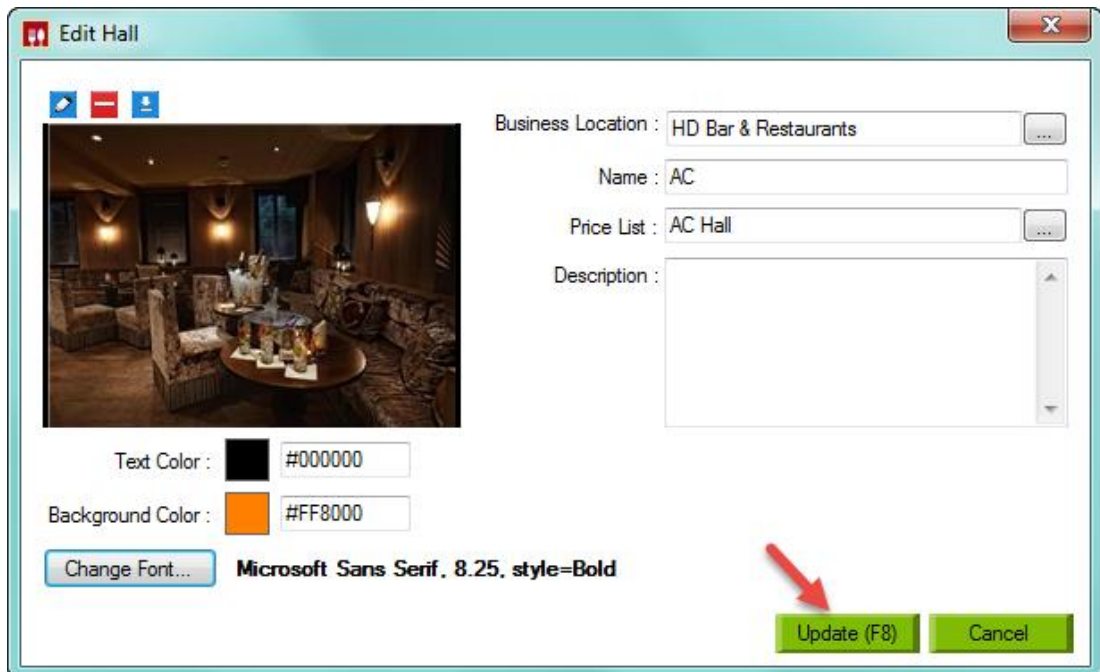

- II. Choose the font style and click on **OK**.

8. Click on **Update** to save the Changes.

9. You'll see the applied changes on Table Dashboard as shown below. Follow the same steps to change other hall style.
