

# How to create Customer Group?

The steps to create a **Customer Group** in HDPOS smart are as given below.

1. Run **HDPOS smart**. From the **main Screen**, click on **Set-Up**.

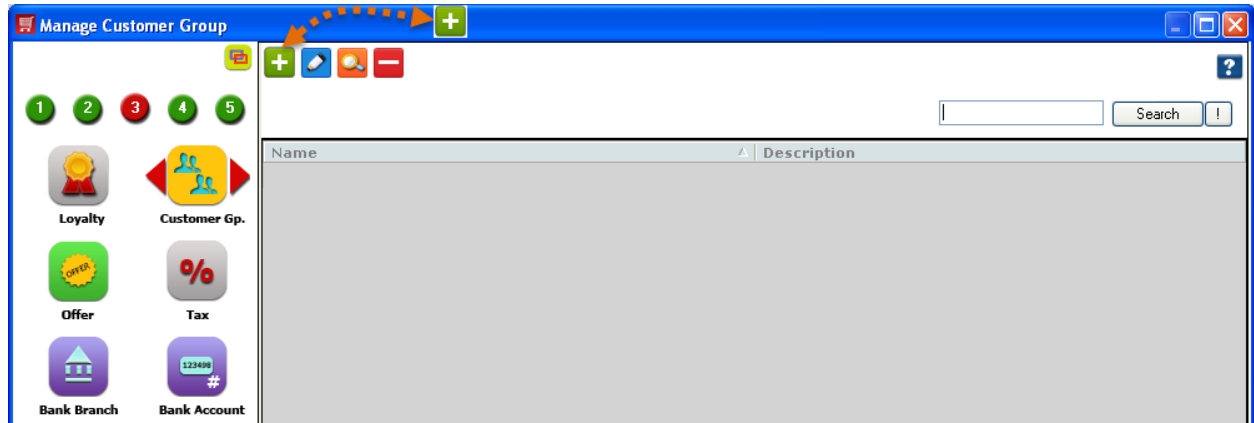

2. From the 3<sup>rd</sup> page of **Set-Up**, click on **Customer Gp.**

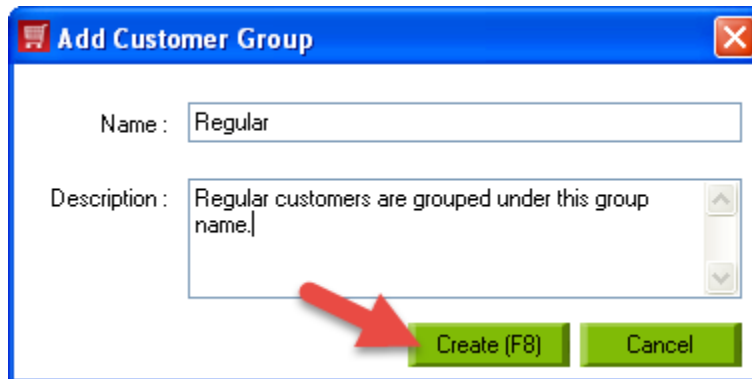

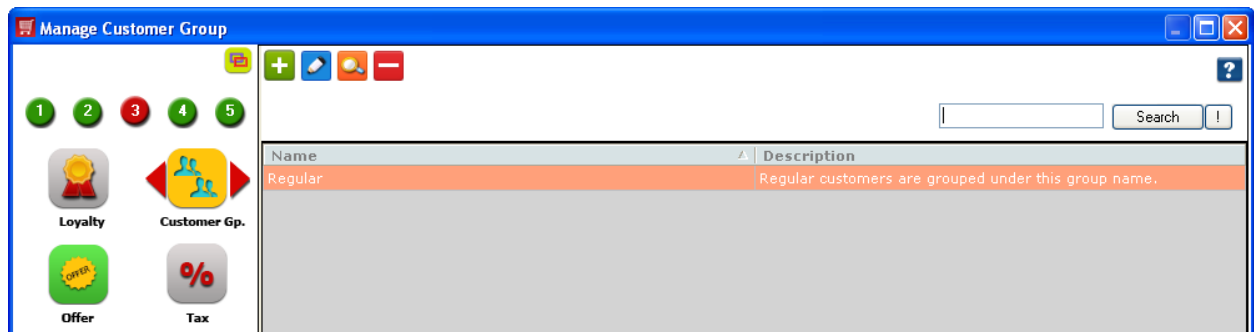

- From **Manage Customer Group** screen, click on the **Add Customer Group** button.

- You will see the following screen of **Add Customer Group**.
  - Enter the **name** for Customer Group.
  - Enter the **description**. This is optional.
  - Click on **Create** button.

- You can see the customer group as shown below.

- Repeat the steps Step3 and Step4 to create as many customer groups as you want.
