

How to do authentication for eShop?

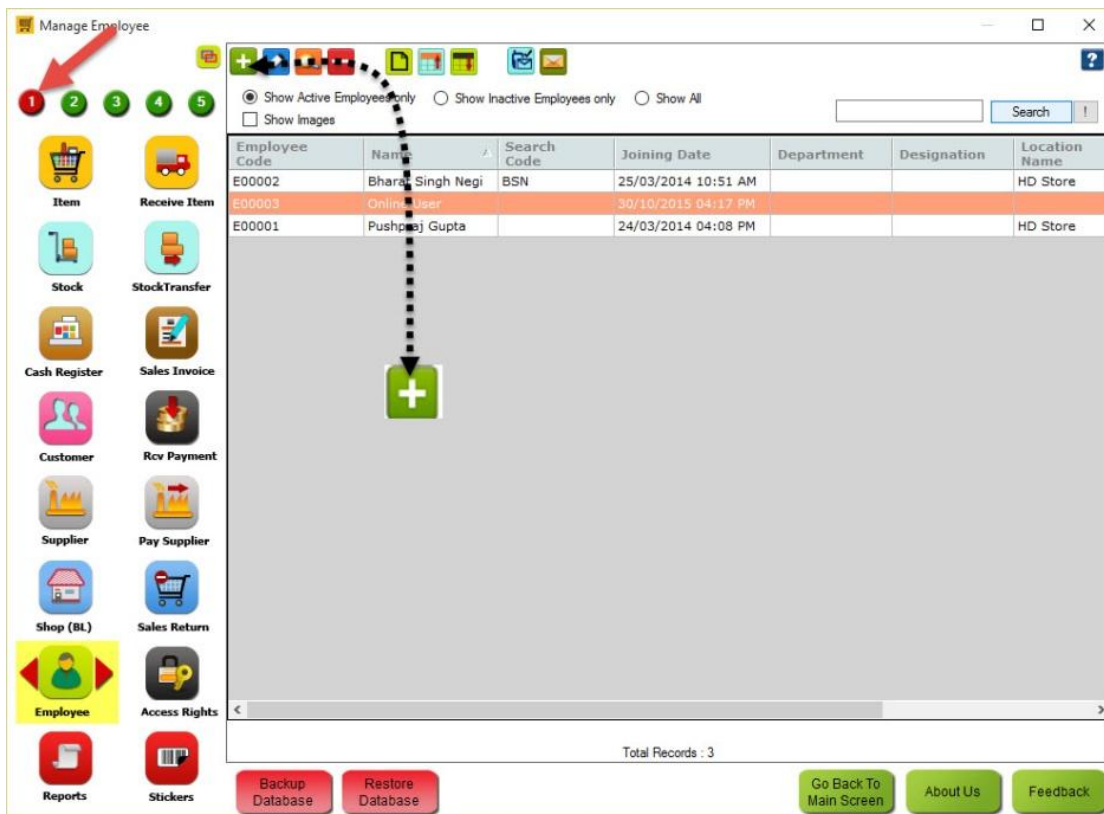

HDPOS smart Tutorials

Creating an employee login for eShop will help you to differentiate between counter sales invoice and online sales invoice. Follow the below steps to add an employee for eShop:

1. Run **HDPOS Smart** and click on **Set-Up** button.

2. From 1st page of Set-Up select **Employee** and click on **Add Employee** from **Manage Employee** screen.

3. In **Add New Employee** screen, enter the name and other required details for employee.
 - a. In the **Login Details** section, enter the
 - User Name as **Online**
 - Password as **@Online**
 - b. Click on **Save**.

The screenshot shows the 'Add New Employee' form with the following data entered:
