

How to edit the opening stock given for an item?

HDPOS smart Tutorials

To edit opening stock given for an item in HDPOS smart follow the below steps:

1. Run **HDPOS smart**.
2. From main screen click on **Set-Up** button.

3. From 1st page of Set-Up, click on **Item** button.

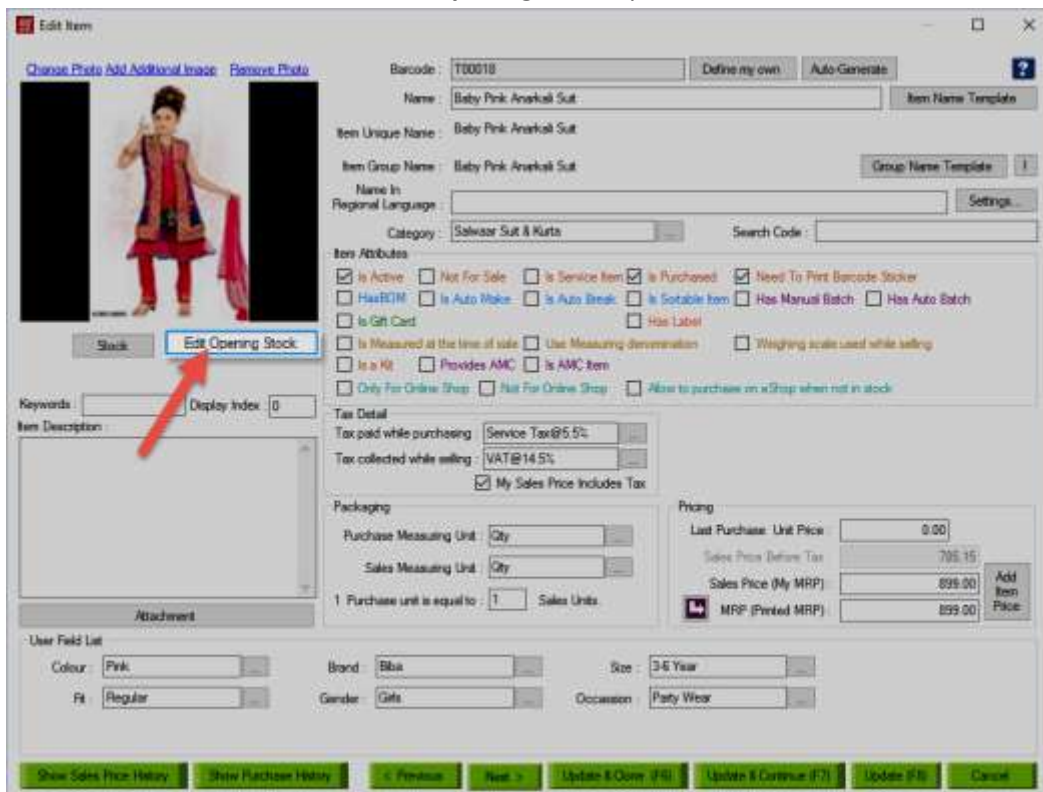

- From **Manage items** screen, select any item and click on **Edit Item** tool strip button.

- From **Edit Item** screen, click on **Edit Opening Stock** option.

6. You will see **Edit Item Opening Stock** screen, in which you can see,
- The Transaction Date for the Opening Stock.
 - The initial opening stock that was added.

S No.	Quantity	Godown
	20	Hyper Drive

- Edit the Transaction Date by clicking on the button beside it.
- Edit the Stock by entering the required value in Quantity.
- You can also change the godown.

To save the changes click on **OK**.

S No.	Quantity	Godown
1	30	HD

7. In **Edit Item** screen, click on **Update** button to save the changes.
