

How to pick a held stock correction entry?

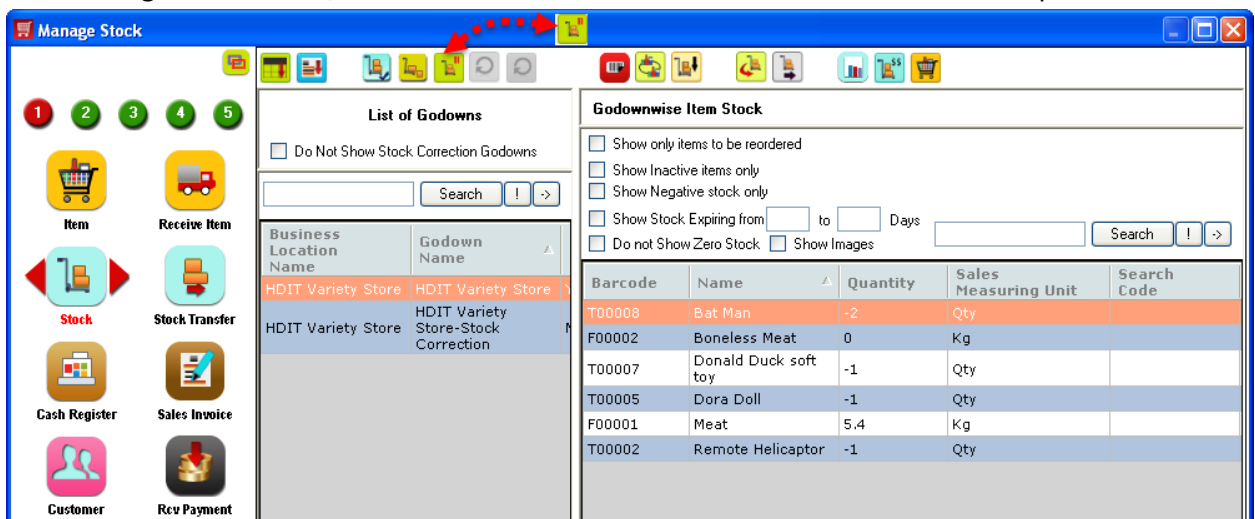

To pick a held stock correction entry, follow the steps below.

1. Run **HDPOS smart**. Click on the **Set-Up** button in the main screen.

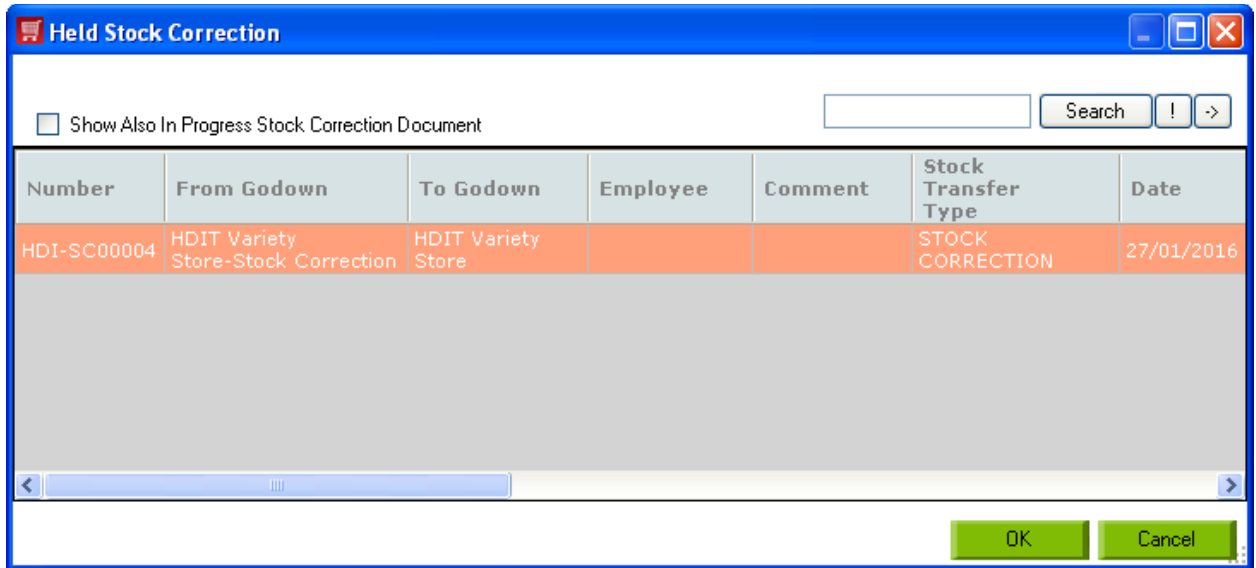

2. From 1st page of Set-Up, click on **Stock**.
3. From **Manage Stock** screen, click on "Pick Held Stock Correction" button in the tool strip.

- You will see **Held Stock Correction** screen as shown below with all the held stock correction entries.
 - Select an entry and click on **OK**.

- You will see the stock correction screen as shown below. Continue with stock correction and save it when you are done.
